

Tallahassee Rifle & Pistol Club

P. O. Box 7638
Tallahassee, Florida 32314

19th Annual

BOY SCOUT FUN SHOOT

Saturday, October 3, 2009

Where: At the Range of the Tallahassee Rifle & Pistol Club, south of Tallahassee, west of Woodville. From Woodville Highway at Woodville, go west at the traffic light onto Oak Ridge Road (CR 2204) about 2 miles and turn north on Community Drive (sand road across from the sawmill with the white circular saw blade). A green-and-white sign (TRPC) at Community Drive points to the range. Go north on Community Drive, turn right (east) on Pistol Range Road to the red front gate of the range.

When: Saturday, October 3, 2009, 9am to noon (approx).

Activities: We will offer Safety and Marksmanship instruction, 22-caliber rifle shooting, shotgun shooting at both the Trap and Sporting Clays ranges, Metallic Silhouette and Muzzleloading Rifle shooting.

Requirements: Scouts must arrive as a troop and participate as a troop.
Scouts should be in Class A Field uniform.
Signed TRPC Permission Forms are required in order for Scouts to participate.
Adult leaders must be with their units and should be prepared to assist the range officers if necessary.
Eye and ear protection must be worn while shooting and while on the firing line. (Some will be available, but bring yours if you have it). Prescription eyeglasses or sunglasses are acceptable for eye protection.

Procedure: Arrive at the range gate. A parking spot will be assigned.
Sign in with your Troop number, number of Scouts and number of leaders, and a contact phone number or e-mail address for the acting leader. A TRPC range Guide will be assigned to the troop.

First activity for all groups will be the Safety and Marksmanship event. After that, troops may participate in the other activities in any convenient order.

Any targets or awards will be given to the Scoutmaster. He will give them to the Scouts after they have left an activity.

Important: All firearms, ammunition and targets are furnished for the Scouts at no cost. No personal firearms or ammunition are to be brought. A drinking water fountain, soft drink machine (20-ounce bottles for \$1) and M/F restrooms are available in the range clubhouse.

Reservations and Information: We would really like approximate head counts for the troops wishing to participate (both Scouts and adults), during September, so that we can have enough supplies on hand. Thanks for working with us on this.
