### **Return Policy—Effective March 1, 2008**

Our return/refund policy is as follows: If for any reason you are not satisfied with your purchase, you may bring the item back in for a full refund accompanied by your purchase receipt. Credits will be made on your credit card purchases and store credit will be given for cash or check purchases. Refunds and credits will only be given within 60 days of purchase. Items being returned must be in original packaging and have original tags in place.

Troops and packs must be careful when purchasing awards and/or merit badges. Please purchase only what you know you will need as we can no longer accept returns on badges, loops/pins, ranks, etc.

Merit Badge Pamphlets are non-returnable or refundable.

### **Special Orders—Effective March 1, 2008**

We are more than happy to order items from the Scout Catalog for you. Your purchases through the Scout Shop help to support the council. Because we are not given full credit on items we have to return, all special orders will have a non-refundable 20% re-stocking fee. This 20% will go towards the purchase total at pick-up. If you would like your order shipped, please see our shipping charges below. Because of our limited shop space, “Special Orders” are anything that we do not normally carry.

**SHIPPING CHARGES:**

Up to \$50.00.....	\$ 5.50
\$50.01 to \$100.00 .....	\$ 7.95
\$100.01 to \$150.00 .....	\$11.95
\$150.01 or more .....	8% of total order

### **UNIFORMS**

The Scouting movement is built on positive values. Scouts wear the uniform to identify themselves with those values. Boys and adults alike take pride in being a part of Scouting and wearing the **complete** Scouting uniform. We will do our best to have in stock a full line of pants, shorts, shirts and accessories for the Cub Scout and Boy Scout uniforms.
